

## HAKOMI INSTITUTE OF CALIFORNIA

---

March 27, 2020

Dear Hakomi community,

In these uncertain and challenging times, the safety of our students, faculty and staff is foremost in our hearts and minds. For that reason, we have postponed all in-person events through May 2020.

We are closely monitoring health advisories and actively pursuing different options to meet the needs of our community while maintaining safety. We will continue to hold free online meetings for the entire Hakomi community which allow us to stay connected and inspired by both the Hakomi principles and mutual support.

We will periodically send out emails to keep you updated and let you know about future community meetings. If you aren't subscribed to our mailing list, you can do so [here](#).

We send our love and support to each and every one of you and your families during this challenging time.

Kind regards,
